

## 2<sup>nd</sup> CALL FOR PAPERS

### ABOUT ICSSD

The annual international conference on sustainability systems development (ICSSD) is organized by ACARES Sdn. Bhd. organization. The conference invites researchers from all over the world to participate in its 2nd conference and present their work. ICSSD aims to provide a platform for discussion between researchers in scientific fields related to the global sustainability development goals 6, 7, 9, 11, and 13.

### TOPICS OF INTEREST

Researchers in the following subjects are invited to present their work:

- **Advances in Energy & Power Systems [EPSs]:**
  - Renewable EPSs,
  - Hydrogen & Fuel Cell EPSs.
  - Oil & Gas EPSs.
  - Hybrid EPSs.
  - Materials of EPSs.
  - Equipment of Power Plants.
  - Management of EPSs
- **Advances in Biotechnologies.**
- **Green Manufacturing & Mechatronics.**
- **Micro-Electromechanical System (MEMS) & Nanotechnology.**
- **Unmanned Aerial Vehicles (UAV) & Micro Air Vehicles (MAV).**
- **Health Sciences**
- **Advances in Climate & Environment Studies:**
  - Waste Management.
  - Circular Economy.
  - Water & Sanitation.
  - Smart Cities & Urban Planning.

### VENUE AND DATE

The 2nd ICSSD will be held in Bristoria hotel in the city of Erbil in Iraq on 15-16 July 2024. The hotel offers discount for participants in the conference.

Erbil is one of the most beautiful cities in Iraq and an attraction for tourists. The participants will have the chance to engage in multiple sessions in which their work will be presented and discussions are held. Lunch and coffee breaks will also be considered between the sessions.

### ORGANIZERS

The 2nd ICSSD is organized by ACARES Sdn. Bhd. - Malaysia in collaboration with the following co-organizers:

- **Erbil Polytechnic University** - Kurdistan - Iraq
- **Karabük University** - Karabük - Turkey
- **Wasit University** - Wasit - Iraq
- **Hilla University College**, Babylon - Iraq

### IMPORTANT DEADLINES

Paper submission (Version 1)	7 April 2024
Amended paper (Version 2)	26 June 2024
Notification of acceptance	2 July 2024
Release of the program	07 July 2024
Registration deadline	15 July 2024

### PUBLICATION AND FEES

Technical committee will decide on the accepted papers for publication in one of the following options:

1. Web of Science, 2.5 IF, Scopus-indexed. Registration and publication cost under this option is 600 USD.
2. Elsevier journal with 9.2 CiteScore, Q1 in SCIMAGO. Scopus-indexed. Registration and publication cost under this option is 600 USD.
3. Scopus-indexed journal with 0.9 IF - web of science, open access, by IIETA - Canada. Registration and publication cost under this option is 600 USD.
4. Scopus-indexed, open access Journals: JESTEC, IJEPM, IJCMEM, IJSDP, and JEASD. Registration and publication cost under this option is 550 USD.
5. The review and outlook papers that may not find a way to be published in one of the above journals will be compiled as chapters in a book submitted for Scopus indexing. Registration and publication cost under this option is 500 USD.

95% of the papers will be published in Scopus indexed journals.  
5% of the papers will be published in non-indexed journal.
