

# CALL FOR PAPERS

## 4<sup>th</sup> International Conference on Sustainability System Development (ICSSD 2026)

ALL in Scopus

Duhok, Iraq 22-23 July 2026

**ICSSD** is an annual international conference organized by **ACARES Sdn. Bhd., Malaysia**, inviting researchers worldwide to participate in its **4<sup>th</sup> edition**. The conference provides a platform for presenting and discussing research related to global sustainability and the **UN SDGs 6, 7, 9, 11, and 13**.

### TOPICS OF INTEREST

ICSSD2026 welcomes contributions associated with the SDGs and any sustainability related topics, such as:

- **Advances in Energy & Power Systems [E&PSs]:**
  - Renewable and Clean E&PSs.
  - Hydrogen and Fuel Cell E&PSs.
  - Oil & Gas E&PSs.
  - Hybrid E&PSs.
  - Materials of E&PSs.
  - Power Plants Systems and Processes.
  - Management and Economy of E&PSs.
- **Advances in Health Sciences and Technologies:**
  - Biotechnologies and Biomaterials
  - Community Health.
  - Bioengineering and Medical Equipment.
  - AI and IoT Applications in Medical and Healthcare.
  - Nanomedicine.
- **Advances in Green Manufacturing & Materials:**
  - Smart Materials.
  - Green Materials and Green processes.
  - Nanotechnologies and nanocomposites.
  - AI and Machine Learning
  - Advances in building materials
- **Advances in Climate & Environmental studies:**
  - Waste Sources, Management, and Waste-to-Wealth.
  - Circular Economy.
  - Water Resources, Water Treatment & Sanitation.
  - Smart Cities & Urban Planning.
- **Advances in Socio-tech, and Society Development**

### IMPORTANT DEADLINES

- Starting of papers submission **08/02/2026**
- Deadline for paper submission **03/05/2026**
- Deadline for amended papers and responses **01/06/2026**
- Notification of acceptance for oral presentation **05/07/2026**
- Announcement of the event program **12/07/2026**
- Registration **21-23/07/2026**

### PUBLICATIONS AND FEES

All accepted, registered, and presented papers will be extended, upgraded and directed for publication in one of the following, but not limited, Scopus-indexed, open access options:

1. **Energy Engineering Journal:** Journal of the Association of Energy Engineers – USA.
2. **JESTEC:** Journal of Engineering Science and Technology - Malaysia.
3. **Scientific.net Specialized Journals in materials and nano tech..** TTP, Switzerland.
4. **International Journal of Energy, Environment, and Economics,** Nova Science Publishers - USA.
5. **Tikrit Journal of Engineering Sciences,** Tikrit University.
6. **POLYTECHNIC Journal,** EPU, Kurdistan.
7. **Terra Joule** under Green Education and Sustainability Research Society (GESRS) **non-indexed, with 300 USD discount.**
8. **Review papers not published in a journal** will be published as chapters in a NOVA sustainability book and submitted to Scopus for indexing.

**Total fees** including two days lunch, refreshments, conference materials, paper reviews, upgrading, research writing, proofreading and publication is **600 USD**.

A **100 USD reduction** for overseas online presentation.

The formal conference language is English including paper submissions, presentations, and communications.
