Then, the conference patronage, Prof. Dr. Hayder Abed Dhahad Dr. and Prof. Dr. Edrees M. Harki, welcomed the guests and participants and officially announced the opening of the ICSSD2025.

Three distinguished keynote speakers enriched the conference with their experience and achievements.

## ROWND TABLE ENVIRONMENT

ICSSD2025 is honored with the attendance of many higher education and research officials and presidents of universities. The round table arrangement inforced nonformal and friendly environment which became a main character

## PAPERS AND PUBLICATIONS

In total, a 64 papers have been submitted to the conference. During the first technical committee screening, four papers have rejected and sixty papers have been processed for elementary improvement to meet the conference standard. During this process, another two papers have been rejected as the authors were not able to meet the technical committee requirements for preliminary amendments. The rest of fifty eight papers have been subjected to peer reviews, editing, upgraded, proofread, and submitted to open access, Scopus-indexed journals for publication.
